

## **The Best Basketball Shoes That Work for Pickleball and Tennis.**

I love the support of basketball shoes, and they are great for stability on hard courts.

**Way of Wade All City 12—(My personal favorite and what I use)** They're fantastic for basketball and pickleball with great support, and the Achilles support is elite in them. The guards on the sides of the shoe are perfect for pickleball side-to-side movement.

**New Balance Two Wxy v5 -** Fantastic shoe—great on different surfaces. You can find these at Dick's Sporting Goods.

**Anta Kai Speed 1**—Great for speed and agility—get it at Dick's Sporting Goods or Anta for around \$120.

**361 Big 3 5.0 Quick Pro** -The outsole tread on these is incredible. You get fantastic grip and explosive first-step ability. - [361sport.com](http://361sport.com)

**Adidas Dame Certified 3** - You can find these on Amazon for less than \$80 and on the Adidas website.
