

## **The Best Golf Shoe Brands**

**Municipal** - (My favorite new and upcoming golf company) A Mark Wahlberg-inspired company. Their golf shoes are made out of high-level material, are very stylish, and are great for in the rain. Example of shoe Sports Cross ATG Shoes—[Municipal.com](http://Municipal.com)

**Ecco** - Ecco has continually come out with stylish and great support golf shoes. Check Ecco out at [us.ecco.com](http://us.ecco.com) and Amazon. Example of Shoe Ecco Biom Hybrid 4 Gore-tex.

**Nike/Jordan** - You can't beat the stylish look of Nikes, and also a great way to get Air Max technology or Air Zoom support while golfing—Shoe Example: Nike Air Max 90 Golf.

**Puma** - Puma Has been killing it in the golf shoe world. Shoe Example—Electrocat Nitro  
[PumaGolf.com](http://PumaGolf.com)

**G Fore** -They are making some cool top-of-the-line golf shoes. They use premium material, and the shoe has great playability and breathability.

—Example Shoe: G Fore MG4x2.

#### **Honorable Mention**

**FootJoy** - A classic, but I believe they aren't the gold standard anymore. Example of shoe: Foot joy Hyperflex (great golf shoe for people who want spikes).
