

The Best Performance Socks -

Most of these socks are available in low cuts.

Road to Pro socks - This is a sock that doesn't allow your feet to slip around in your shoes and helps prevent blisters and jammed toenails. Road to Pro is an awesome company and has some great items on their website that help with pain from tennis. RTPtennis.com

Dillz Socks - Local Encinitas Company! The best socks around the grip on the bottom are very breathable, give great support, and are very affordable for a high-performance sock that doesn't allow your feet to slip around and helps prevent blisters and jammed toenails. Their website is Dillz.Shop, or if you play at Bobby Riggs in Encinitas, you can find them there too.

Lasso Socks - One of the best compression Socks for Ankle support and compression.
Buy on Amazon search Lasso Socks

Adidas AlphaSkin Hydroshield - Great for people with sweaty feet. Best sweat-absorbing socks

Men's CEP Ortho+ Achilles Support Short Socks— Best socks on the market for Achilles support—You can find these at Road Runner Sports. They're expensive, but they have brace-like features and two gel pads keeping the Achilles stable.
. Your Achilles will thank you later.

Solinco Heaven Sock (Best Affordable Sports Sock) You can't go wrong with these for any sports. You can get these at tenniswarehouse.com.
